SCOIR x COALITION FOR COLLEGE

Apply Coalition with Scoir
## The Latest for Coalition Members

Hi there,

We can't believe the first year of this new application experience is nearly in the books!

As we look to year 2, keep an eye on your inbox for a timeline and key configuration and testing milestones.

Product Updates

Applicant Insights & Management

Method Selected	In-Progress	Submitted
Applicants who have selected Scoir as their app method	Applicants with completed Application Profile in Scoir, but incomplete supplement	Applicants with completed Application Profile in Scoir and completed supplement

Applications by Month

In case you missed it, you can now access Applicant Insights & Management from the Applicants tab, accessed under Applications.

- **Applicant Status**
- **Applications by Month**
- **Applicant Management** (including easy access to documents)

We're excited to empower you with greater visibility so you can convert and yield more applicants! Visit our Help Center for details or explore for yourself.

Coming Soon

Simpler App Round Management

For year 2, we're making it easier than ever to maintain deadlines and requirements in your app rounds. Stay tuned for more updates in the coming weeks!

Your Questions

How can we export all application data for this academic year?

While we don't yet offer the ability to export application data, the Applicants tab enables you to see specific applicants and cross-reference their details with what appears in Slate.

Support

The Scoir Support Team is available to answer your questions any time at **support@scoir.com**
