

Scattergrams Checklist

Use this checklist with 3 easy steps to ensure Scattergrams are filled with information for students and parents/guardians!

Bulk upload [SAT](#) and [ACT](#) Scores

Pro Tip: Keep an eye on [SAT](#) and [ACT](#) score reporting dates to make updating part of your routine throughout the school year!

Bulk upload [GPAs](#)

With our bulk upload tool in Data Management, you can have GPAs updated in just a few minutes!

Add [application outcomes](#) for your graduating seniors

Pro Tip: Don't forget to record additional outcomes like Test Optional!

And that's it! By following these steps, both [you](#) and [your students](#) can take advantage of your school's scattergrams and all the information they have to offer. Enjoy!

What are scattergrams?

Scattergrams provide valuable insights into the likelihood of acceptance at the colleges a student follows. At a glance, they show historical admission decisions using prior students' GPAs and test scores. To learn more about scattergrams in Scoir, check out [this helpful article](#).
