

Why Scoir for Middle Schools

Your One Stop Shop for Career Readiness

Scoir is an online college and career guidance management network designed to expand access and improve outcomes. We provide schools with the tools to strengthen counseling departments so they can spend more time supporting students (and less time on admin), no matter their post-secondary plans.

We offer a solution for middle schools as well as high schools! Here, we'll walk through our middle school solution.

What's In It For You and Your Students

Access all of the following, all for just \$2.40 per student per year.

Students and Families

- ✓ Explore career info like income, education needed, outlook, and similar careers
- ✓ Seamlessly transition from search to discovery to application with Scoir for high schools
- ✓ Receive career readiness assignments from their counselor
- ✓ Learn about collegiate opportunities (including 4-year, 2-year, technical, and trade schools) through College Search that's tailored to interests and career pathways

Middle Schools and Counselors

- ✓ Assign Tasks and track student career readiness progress
- ✓ Create Plans so you can reassign sets of Tasks year over year
- ✓ Build Forms to organize and deliver student lessons and activities
- ✓ Access our ASCA-compliant lesson plans
- ✓ Help desk and email support
